頒授學位

Professor Nancy IP

Pro-Chancellor Dr. John CHAN, Council Chair Professor Harry SHUM, Court Chair Dr. the Honourable Andrew LIAO, Council and Court members, distinguished guests, members of the Class of 2025, parents, friends and colleagues,

It is my great honor to stand before you as we celebrate a significant milestone in your academic journey. On behalf of the entire university community, I extend my heartfelt congratulations to each of you. Today, we gather not only to confer degrees but also to celebrate your years of vigorous study, unwavering perseverance, and the impactful contributions you are already making in your chosen fields. This ceremony honors the exceptional individuals you have become–critical thinkers, visionary innovators, and compassionate leaders who will shape our future.

While today marks the conclusion of your studies, it also signals the beginning of a new journey. In a world driven by technological advancements, we need leaders like you–leaders who will embrace both knowledge and ethical responsibility, connect deeply with the world, and are passionately committed to positive change. Your education has equipped you with the skills to tackle pressing global challenges and create a better future for all.

This past year was marked by a profound loss for our community with the passing of our founding President, Professor Chia-Wei WOO. While he is no longer with us, his visionary legacy lives on with greater force and relevance than ever. Almost 35 years ago, he envisioned a university unlike any other in the city. He foresaw that its graduates would become pioneers, leveraging their knowledge, the dynamic opportunities of this region, and their unique position as a bridge between East and West to create a better future.

As you, the Class of 2025, step into the world, you are the ultimate embodiment of that vision. Your ambition and your potential, powered by a global and forward-looking mindset, are materializing a dream on a scale that may be even more magnificent than what our founding fathers envisioned.

Just as you embark on a new chapter in your lives, the University is also preparing for a period of transformation and growth as we set our sights on establishing Hong Kong's third medical school. This is not merely a dream nurtured over the last 30 years; it is a response to the urgent needs of our time. The revolution in artificial intelligence and other disruptive technologies is transforming every facet of our lives.

As a leading science and technology university in Hong Kong, HKUST has a unique opportunity—and a responsibility—to harness the unprecedented power of technological advancements for a new era of healthcare. Towards this goal, our vision is to establish an innovative medical school that

is technological, humanistic, interdisciplinary, international, and translational—values central to HKUST's DNA.

This endeavor, much like your own journeys, has required immense effort and dedication from our entire community. There have been moments when the challenges seemed insurmountable. But our "One-HKUST" solidarity and unwavering "Can-Do" spirit have illuminated the path forward as we await the decision on our proposal. It is this collaborative energy that makes HKUST special.

Graduates, you have exemplified your "Can-Do" spirit throughout your time here—the courage to pursue bold ideas, the agility to adapt to change, and the perseverance to overcome obstacles. Let it be your blueprint for making an impact. The world needs architects of the future—visionaries who can harness technology with wisdom, synthesize knowledge across traditional boundaries, collaborate widely, and translate discoveries into tangible benefits for society.

As you step into the future, hold onto your curiosity and the spirit of inquiry that has brought you here. Keep exploring, learning, and embracing the unknown. Collaborate with individuals with diverse backgrounds and persist even in the face of uncertainties. Your passion will be your greatest asset as you navigate the complexities of the world ahead.

Class of 2025, as you leave this campus, remember that you are now ambassadors of our shared values and our highest aspirations. Wherever your path leads, strive not only for professional success but for a deeper, more meaningful contribution to humanity.

Please know that your connection to this community of innovators and thinkers does not end today. Your alma mater will remain your steadfast partner and proudest advocate. We will be watching your journeys with immense anticipation and absolute confidence.

Congratulations once again, Class of 2025. Embrace the challenges ahead with passion and purpose! Thank you.

葉玉如教授

大學副監督陳祖澤博士、校董會主席沈向洋教授、顧問委員會主席廖長城博士、校董會及顧問委員會成員、各位嘉賓、應屆畢業同學、家長、親友及同事：

我很榮幸能夠與大家共聚一堂，一同見證你們學術旅程中一個重要的里程碑。在此，我謹代表香港科技大學全體同仁，向各位畢業同學致以衷心祝賀。今天的典禮，不僅是為了頒授學位，更是為了表揚各位畢業同學多年來孜孜不倦的求學精神、堅毅不拔的意志，以及在各自領域中初展鋒芒的貢獻。這場典禮見證了你們的蛻變，你們已成長為睿智明達的思考者、胸懷遠見的創新先鋒及心繫社群的未來領袖。從今往後，你們將肩負起塑造未來社會的重任。

今天你們在學習旅途雖已告一段落，但同時也標誌着人生另一段壯闊征程的序幕。在這個由科技推動發展的世代，我們尤其需要如你們一樣才德兼備的領袖，既要擁抱新知識，同時恪守道德責任，心繫天下，竭力推動社會成長。你們在科大的所學將助你們應對全球挑戰，為社會開創更光明的未來。

去年，科大創校校長吳家瑋教授與世長辭，令大學社群倍感哀思。然而，吳校長高瞻遠矚的辦學理念將如薪火相傳，潤澤後學。約三十五年前，他懷抱宏大願景，銳意建立一所前所未有的香港學府，並預視這裏的學子將成為時代的先驅，以其廣博學識、地緣優勢以及連結東西方橋樑的獨特角色，開創新局，為社會締造更美好明天。

各位應屆畢業同學，當你們踏出校園、邁向世界之際，你們本身便是對這一願景的最佳詮釋。你們以全球視野為翼，以遠大抱負為帆，必將開創出更廣闊無垠的天地，其恢弘甚至可能超越先賢的初心展望。

在你們展開人生新篇章之際，科大也正準備迎接蛻變與成長的新階段。大學致力於創辦香港第三所醫學院，這不僅是孕育了三十多載的夢想，更是對當下時代迫切需求的積極回應。人工智能與其他顛覆性技術，正在深刻改變我們生活的方方面面。

作為在科創領域領先的學府，科大不僅握有獨特機遇，更承擔着重要使命——務須善用創新科技的力量，開創醫療健康新紀元。為實現此願景，我們矢志建立一所創新型醫學院，融匯科技、人文、跨學科、國際化與轉化型研究五大特色；這些核心價值，自創校伊始便深植於科大的基因。

此一宏願，正如你們的求學旅程，需整個科大社群傾注巨大的努力與決心。縱然前路挑戰重重，

我們仍將秉持「同一科大」的團結精神與「凡事皆可為」的信念，披荊斬棘，靜候佳音。正是這份群策群力、堅毅敢闖的精神，鑄就了科大的獨特素質，並為我們照亮前路。

各位畢業同學，你們在科大的歲月印證了「凡事皆可為」的精神。你們勇於追夢，靈活應變，以毅力克服重重困難，願你們懷抱此精神，去繪製你們未來發揮影響力的藍圖。世界正需要心懷遠見的先行者，能以智慧駕馭科技、跨越傳統界限以融匯知識、廣協共創，並將所探索的成果轉化為社會福祉。

在邁向未來的旅途上，請保持對世界的好奇心與探索精神，這正是帶領你們走到今天的動力泉源。持續探索，不斷學習，勇於擁抱未知，敞開胸襟與來自不同背景的人攜手合作，縱然前路充滿不確定性，也要堅定前行。在應對未來的複雜挑戰時，你們的熱忱將成為最珍貴的資本，能助你們在未來乘風破浪。

各位應屆畢業同學，當你們即將踏出校園，請牢記，你們承載着科大的核心價值與崇高理想。無論未來道路通往何方，在追求專業精進的同時，更要致力為人類福祉作出深遠的貢獻。

請謹記，你們與這個凝聚創新與思辨精神的社群之聯繫，絕不會因為今天畢業戛然而止。母校將永遠是你們堅實的後盾與最堅定的支持者，我們將懷着萬分期待與十足信心，繼續守望你們未來的旅程。

最後，再次衷心祝賀各位畢業同學，願你們以熱情與使命擁抱未來挑戰。謝謝！

Distinguished guests, graduates, parents, friends and colleagues,

On behalf of all faculty and staff of HKUST Business School, may I extend our warmest welcome to you all, and our heartiest congratulations to the Class of 2025!

HKUST is celebrating its 35th anniversary with great enthusiasm. In its 35 years of development, business education at HKUST has undergone transformative changes: from a pioneering group of founding faculty to a team of over 160 international scholars across six disciplines; from modest lecture halls to a purpose-designed building; and from graduating our first class of master's students to today's diverse cohorts across 46 programs—HKUST Business School has grown, evolved, and thrived.

Guiding every transformation is our steadfast purpose: to nurture business talents for the times.

HKUST's 35-year journey, in fact, coincides with the rapid economic development of Hong Kong. Thanks to the visionary foresight of our founders, who anticipated the trajectory of Hong Kong's evolving economic landscape, HKUST has nurtured generations of talents in locksteps with the city's growth. This foresight has empowered our graduates to make meaningful contributions, driving Hong Kong's progress and enhancing its role in the region.

Staying true to our mission, our business education has continuously refined itself, adapted and expanded to address the complexities of global financial markets, the growing integration between the Chinese Mainland and Hong Kong, and the transformative impact of technological innovation. These developments demonstrate our commitment to preparing graduates who are ready to navigate an ever-changing world.

Today, our earliest graduates are now in the prime of their careers, and their accomplishments set examples for newer generations. You, our newest graduates, will carry forward this momentum. As we celebrate your achievements today, we also welcome you as our soon-to-be alumni and torchbearers of the Business School's spirit. Your stories will shape our legacy and help chart the path for the decades ahead.

Graduates, embrace the future with curiosity and purpose. As you step into the next chapter, stay connected with your alma mater. Your bond with HKUST will always be a source of strength to us.

Maggie CHUNG Wai-Lam

Bachelor of Business Administration in
Information Systems and Operations Management

Good morning, honorable guests, faculty members, dear graduates,

I am Maggie Chung, and today I am proud to introduce myself as an HKUST alumna. It is a great honor to share this moment with you.

We began this journey during the pandemic, missing out precious opportunities for in-person interaction. We witnessed the rise of GenAI, which reshaped the way we learn and live. Our path was never easy, especially with the academic and career pressures at HKUST. Yet, we persevered, and here we are today.

Our time at HKUST was about more than just academics. Each of us has learned unique life lessons. For me, it was about taking responsibility for myself. As a traditional, Asian-born child, my early path was largely predefined: get outstanding grades, attend a Band 1 school, then a reputable university. I rarely envisioned my long-term future. Suddenly, at university, I had to make my own decisions—choosing my major, planning my career, and considering the lifestyle I wanted to pursue. That was when I realized the unlimited possibilities life offers.

Some of us decided to pursue further studies, some started their own businesses, and some became slashers. While remaining uncertain, I am grateful for the chance to explore different opportunities, discover more about myself, and, most importantly, take responsibility for my choices.

As we stand on the edge of an uncertain and ever-changing future, amidst the rapid technological evolution, I believe the experiences at HKUST have equipped me with the confidence to navigate changes, make tough decisions, and grow through challenges. The resilience and bonds we formed will always be our lifelong assets.

Congratulations, Class of 2025. Let us continue to support one another and thrive in our future endeavors as HKUST alumni. Thank you.

鍾慧琳

工商管理學士（資訊系統學及營運管理學）

尊敬的師長、各位嘉賓，親愛的同學們：

我是鍾慧琳，今天十分榮幸能以香港科技大學畢業生和校友的身分站在台上。

幾年前，我們懷着期待的心情走入科大，卻遇上一場全球疫情。課堂從教室移到了線上，我們雖失去了面對面互動的寶貴機會，卻學會了在獨處中堅持學習。臨近畢業，又適逢生成式人工智能（GenAI）浪潮興起，再次改寫我們獲取知識與創造價值的方式。回首我們的大學旅程，從來都不是一條坦途。學業與求職壓力不言而喻，但我們熬過了所有難關，終於在今天齊聚於此，共享這份成功的喜悅。

科大給我們的，不只有書本上的知識，更是一段認識自己、完善自我的旅程。作為一個在傳統亞洲家庭長大的孩子，我過去的道路彷彿早已鋪好：考好成績、進名校、讀一流大學。來到這裏，我才真正擁有為自己做決定的自由：選擇主修、規劃職涯、思考我想要的生活方式。那一刻我才明白，人生的可能性是無限的。

我們當中，有人選擇繼續深造，有人勇敢創業，也有人成為了斜杠青年。雖然我仍在探索，但很感激這段旅程讓我更了解自己，有能力為自己作抉擇，也學會為此負責。這或許正是科大送給我最珍貴的禮物。

無論走向哪方，面對變動的世界和日新月異的科技，願我們帶着在科大鍛鍊出的韌性與勇氣，不忘支持彼此，並在各自的位置上回饋社會，成為值得驕傲的科大校友。祝各位前程似錦，共勉之。

Rainsun TIAN Yuyang

Master of Science in Information Systems Management

Honorable Acting Dean, distinguished guests, faculty, families, and fellow graduates,

Back in June, even with several job offers in hand, my first instinct was to meet our Program Academic Director and ask for a job in our program office, just to stay. I'm not the only one. Our brilliant classmate Frank has just committed to four more years here as a PhD student. Our stories share a simple truth: none of us wants to leave. For us, this past year was not merely a master's program—it was a perfect journey.

It began in the classroom, where our minds were reshaped. We wrestled with machine learning algorithms in the morning and debated corporate strategy in the afternoon. Our professors were more than teachers—they were world-class mentors who gave us not only knowledge, but new ways of thinking that will last a lifetime. This program was our gateway to the world, where we stood face-to-face with industry CEOs and heard from global visionaries, including our incredible honorary alumnus, Jensen HUANG.

But the true magic was the community we built: a community forged in the shared resilience in our common room, from 9 a.m. to 9 p.m.; a community that grew on the hiking trails of MacLehose and thrived above the beautiful waters of Clear Water Bay. We arrived as individuals, and now leave as a family—a family that shares job opportunities with each other the moment we get them. The greatest gift this program gave us was each other.

This incredible journey was not one we took alone, and for this experience, we are deeply grateful. To our university's leadership: your relentless drive to elevate this world-class institution continues to inspire us. To our families: our success was built on your unwavering support. Today, as we celebrate our achievement, we are truly celebrating you.

And so, we arrive at this beautiful paradox. We love this place so much that we don't want to leave. But because of what this place has given us, we must leave. We will leave with confidence, sharper minds and lifelong friends. We, the HKUST graduates, are leaving here to become the leaders who bridge technology and humanity.

We will leave this campus, but this campus will never leave us. And we promise: one day, we will make you proud.

Thank you.

田雨陽

理學碩士（資訊系統管理學）

尊敬的署理院長、各位嘉賓、敬愛的師長、親愛的家人，以及各位畢業生同學：

回想今年六月，即使手握幾份工作邀約，我第一念頭，仍是去拜訪學術主任，希望爭取一個在學院工作的機會，只為留下。有此想法的並非我一人。我的同學Frank已決定再留在科大求索四年，攻讀博士學位。因為我們都不想離開。因為，過去一年，我們所得到的並非單單一紙碩士文憑，而是一段無憾之旅。

這段旅程始於課堂，在那裏我們的思想被反覆淬鍊重塑。清晨，我們與機器學習之演算法搏鬥；午後，我們就企業策略展開激辯。教授們傳道授業之外，更是世界級的人生導師。他們給予我們的不僅是知識，更是能一生受用的思維方式。此課程帶領我們走向世界，獲得與業界領袖會面的機會，並聆聽全球遠見者的卓見，包括榮譽校友——黃仁勳。

然而，我們共同構建的社群才是真正的奇蹟。此情誼，熔鑄於公共休息室從晨九至暮九的並肩奮鬥，蔓生於麥理浩徑之山脊，回蕩於清水灣之碧波。來時，我們是孑然的個體；去時，我們成為親密的家人——在看到工作機遇的瞬間，便立刻互相分享的大家庭。這個課程贈予我們最寶貴的禮物，正是彼此。

這段非凡的旅程，我們並非孤身走過。讓我們懷着最真誠的感激，感謝大學的領導層：你們不懈的追求，讓這所世界級學府臻於至善，此精神時刻激勵我們前行；感謝家人：我們的成功，建立在你們毫不動搖的支持。今日的慶典，與其說是慶賀我們，毋寧說是禮讚諸位。

我們眷戀此地，不願離去；但也正因科大贈予我們的一切，我們必須離去。自此，我們將帶着更堅定的自信、更銳利的思想，與可付一生的摯友攜手踏上征程。我輩科大學子，自此一別，當為棟樑，以溝通天工與人文為己任。

我們將離開這校園，但這校園將永遠不會離開我們。我們在此立誓：終有一日，我們將成為你們的驕傲。

謝謝大家。

Claire NG Man-Sze

Bachelor of Business Administration in Finance and Management

Good afternoon, honorable guests, faculty members, fellow graduates, ladies and gentlemen,

I'm Claire Ng, and it is my honor to deliver this speech on behalf of the Class of 2025. Our journey at HKUST has been one of growth, learning, and transformation. Here, courage was not just an abstract ideal—it became a practice. We learned that numbers may speak, but values steer. Accounting taught us to see profit, but also to ask, "Who bears the cost?" Finance gave us NPV (Net Present Value), but taught us to hear the unheard.

Our professors challenged us to question our assumptions. Our peers humbled us with their resilience, honesty, and camaraderie during late-night study sessions. To the faculty, staff, mentors, families, and friends who supported us when our courage wavered—thank you for being our steady anchors.

Today is a day of beginnings. Late nights, dead-end interviews, ideas that finally bloomed—each carried us here. Pause and look around: we made it here together.

In moments of doubt, I found guidance in Robert FROST's *The Road Not Taken*. As Frost wrote: *"I took the one less travelled by, and that has made all the difference."* This line reminds us that life offers no guarantees. Fear may keep us on the shore, but the tide of opportunity won't wait. Sometimes, the most important leap is the one we take into the unknown.

Class of 2025, when roads diverge, choose courage. Take the path that grows you—and lifts others. Trust your compass: curiosity, ethics, grit, and community. Step off the shore. The sea is vast, and we are ready.

Congratulations to the Class of 2025. As you turn the page, write boldly, lead ethically, and give generously.
Thank you.

吳曼詩

工商管理學士（金融學及管理學）

各位嘉賓、教授、親愛的畢業生們、在場的所有朋友：

我是吳曼詩，很榮幸能代表2025年的畢業生在此致辭。在香港科技大學的歲月，是一段充滿成長、學習與蛻變的旅程。在這裏，「勇氣」不再是空談，而是身體力行。我們讀懂，更懂得價值觀才是羅盤。會計學讓我們看清利潤，也讓我們學會追問：「誰承擔了代價？」財務管理教我們計算淨現值，更提醒我們關注那些可能被忽略的聲音。

教授不斷挑戰我們的思維框架，同學們以韌性、真誠，以及深夜苦讀時的相互扶持，讓我們學會謙卑。衷心感謝師長、職員、導師、家人和朋友——當我們迷茫搖擺時，你們始終是我們最穩固的依靠。

今天是一個新的起點。那些熬夜的時光、那些沒有回音的面試、那些最終開花結果的點子——這一切都將我們帶至此地。請停下片刻，看看身邊的人：我們一起走到了！

猶疑時，美國詩人羅伯特·弗羅斯特的〈未選擇的路〉啟發了我：「我選擇了人跡稀少的一條路，這造就了一切不同。」這句詩提醒我們：人生沒有標準答案。恐懼也許讓我們留在岸邊，但機會的潮水從不為誰等待。有時候，人生最重要的飛躍，正是勇敢躍進未知的一刻。

2025年屆同學們，當你們站在人生的分岔路口，請帶着勇氣做出選擇：選擇那條讓你成長、也能為他人帶來得益的道路。相信你內心的指南針——好奇、良知、毅力和社群情懷。勇敢離開舒適的岸邊吧！大海無比寬廣，而我們已經準備好啟航。

衷心祝賀本屆全體畢業生。當你們翻開人生新篇章，願你們揮灑自如、以德領航、慷慨奉獻。

謝謝大家！

Frederick MUTTO
Doctor of Business Administration

Honorable President, esteemed faculty, beloved families, fellow graduates, and friends,

After decades in industry's trenches, I know that real-world chaos is not just a challenge—it is the most potent raw material for knowledge creation. And today, as graduates of the inaugural DBA program, we have mastered the craft in creating knowledge with industry insights and a curious mind!

I must confess—when I graduated from my HKUST MBA 22 years ago, it was the end of SARS. Now, as I finally earn my doctorate and become an adjunct associate professor, we emerge from the shadow of COVID. Clearly, HKUST and I share a knack for turning global health crises into academic milestones.

On behalf of my fellow graduates: We did not come here as blank slates. We arrived with battle scars from boardrooms, the sweat of start-ups, and decades of unanswered questions. These experiences were not baggage—they were the catalysts for our growth.

We have taken the messy, real-world problems and transformed them into research, creating frameworks with tangible impact.

Which brings me to you—my extraordinary cohort:

We have been CEOs, CFOs, founders, yet chose to be students again. Why? Because authentic leaders stay hungry and stay foolish.

So, stepping out as doctors, let us never lose our beginner's mind. Keep questioning. Keep building. And when complexity overwhelms, let curiosity and humility guide us.

In 2021, we entered the DBA program as executives and business leaders. Today, we leave as doctors—architects of knowledge. The future is unwritten. Let us write it with rigor, with courage, and with childlike wonder.

To our families, colleagues, and business associates: Your patience funded this dream.

To HKUST: You turned practitioners into pioneers and dreamers into doctors.

To my fellow graduates: I am honored beyond words.

Stay curious. Stay grounded. Keep creating knowledge.

And rest assured: No AI wrote this speech… though it did suggest I cite myself 37 times!

Congratulations, Doctors!

陳俊傑

工商管理博士

尊敬的校長、教授、親愛的家人們、各位畢業生及朋友們：

作為在業界深耕數十載的實踐者，我深知現實世界的紛繁複雜，不僅是挑戰，更是知識創造最寶貴的原料。今日，作為首屆工商管理博士畢業生，我們已掌握以行業洞察與求知之心鍊成知識！

容我坦言：22年前我從科大工商管理碩士畢業時，正值「非典」終結。如今，當我獲得博士學位並成為兼任副教授之際，又恰逢新冠疫情的消退。看來，科大與我頗有將全球健康危機轉化為學術里程碑的默契。

在此，我代表全體畢業生宣言：我們並非白紙。我們帶着董事會的戰痕、創業的汗水和數十年未解的困惑奔赴此地。這些行業烙印不是負累，而是催化學問的契機。

我們將現實中的棘手難題化為嚴謹的研究，最終構建出具有實踐影響力的理論框架。

此刻，我特別想與非凡的同窗們說：我們曾是首席執行官、首席財務官、創始人，卻選擇重返課堂。為何？因為真正的領袖在知識的疆域，是求知若飢，虛心若愚。

願我們以工商管理博士的身份邁向世界時，仍能永遠保持初學者的心態：持續追問，持續建設。當複雜性令人無措時，永懷好奇與探索之心。

2021年，我們以高管和商界領袖之姿入學；如今，我們以知識建築師的身份畢業。未來的篇章，讓我們以嚴謹之筆、勇氣和赤子之心共同譜寫。

感謝家人、同事與商業夥伴：你們的耐心包容支撐了這段追夢之旅。

感謝科大：你們讓實踐者成為開拓者，讓夢想家蛻變為博士。

致敬我的同窗們：榮幸之情，無以言表。

永懷好奇，腳踏實地，持續創造知識。

請放心：這篇講稿絕非人工智能代筆……雖然它確實建議我自我引用37次！

恭喜大家——博士們！

Executive Master of Business Administration

Good afternoon, esteemed faculty, honored guests, fellow graduates, families, and friends,

It is a true privilege to stand here today on behalf of the HKUST Bilingual EMBA Class of 2025.

When we first arrived, many of us wondered if we could balance studies with careers and family. We soon discovered: this journey would be far richer than we ever imagined.

The program offered us rigorous training in finance, strategy, and leadership, alongside courses that broadened our perspectives——from innovation and technology to global economics and the human side of management. As a CTO in a robotics company, I found this blend incredibly valuable. It bridged the gap between technical leadership and strategic business management, equipping me to lead with a more complete vision. These courses pushed us to think differently, challenge assumptions, and connect dots across disciplines.

But the real lessons were not only in the classroom. They happened in late-night debates, in group projects that tested our patience, and in moments when classmates pushed us to keep going. As the class that probably broke the EMBA alcohol record, we also built a bond no textbook could teach——one forged through laughter, toasts, and unforgettable nights together.

What truly sets the HKUST EMBA apart is the community we have built. Each of us brought unique experiences, and together we created an environment where diverse ideas flourished. This spirit of openness not only expanded our learning but also forged friendships that will last far beyond today.

As we celebrate this milestone, let us remember that graduation is not an end but a beginning. The knowledge, values, and bonds we carry from here will guide us to lead with integrity, innovate with courage, and make a meaningful impact on the world.

Congratulations, Class of 2025——our journey continues!

Thank you.

高層管理人員工商管理碩士

尊敬的老師、各位來賓、親愛的畢業生們、家人們和朋友們：

今天，代表香港科技大學2025年中英雙語EMBA班發言，我深感榮幸。

剛入學時，我們班上許多人都曾擔心，能否在學業、事業與家庭之間取得平衡。但很快我們就發現，這段旅程遠比想像中更有意義、更充實。

這個課程嚴格訓練金融、戰略和領導力，同時也有拓展視野的課程——從創新技術到全球經濟，再到管理中的人文層面。作為一家機器人公司的首席技術官，我深切體會到這種課程組合的價值，它架起了技術領導力與戰略業務管理之間的橋樑，讓我能以更全面的視野開展領導工作。這些課程促使我們換種方式思考、質疑固有假設，並在不同學科間建立聯繫。

但真正的收穫不止於課堂，而是在深夜的辯論中、在考驗耐心的小組專案裏、在同學們互相鼓勵和堅持的時刻。作為EMBA史上（可能）最能喝酒的班級，我們還建立了無法從課本學會的情誼——這種情誼在歡笑、舉杯和共同度過的難忘夜晚中愈發深厚。

香港科技大學EMBA真正的獨特之處，在於我們建立的這個社群。我們每個人都帶着獨特的經歷，共同營造了一個讓多元思想蓬勃發展的環境。這種開放的精神不僅拓寬了我們的學習邊界，更鑄就了將超越今日的友誼。

在慶祝這個里程碑的時刻，讓我們記住，畢業不是終點，而是起點。我們從這裏帶走的知識、價值觀和情誼，將指引我們秉持誠信去領導、懷揣勇氣去創新，並在世界上留下有意義的影響。

祝賀2025年的畢業生們——我們的旅程仍在繼續！

謝謝大家。

Zachary Taylor BRADFORD

Master of Business Administration

Friends, family, faculty,

I stand before you today humbled and full of gratitude as a citizen of a foreign country, giving this address in my native language, to a world-class institution, to world-class people.

French Archbishop Francois FENELON once said, *"The more you say, the less people remember. The fewer the words, the greater the profit."* And so, as an MBA, it is my fiduciary duty to be brief. I will do my best, but it is difficult, given the myriad of lessons, incredible experiences and managerial truths we have gained along the way: "Money now is better than money later. Target market, barriers to entry and value propositions. Be on time to class!" Where should we focus? While these concepts are crucial knowledge, paramount to business success, I will aim a bit more broadly. Empathy.

Empathy is defined as understanding, awareness, or sensitivity to the thoughts and experiences of others. Put simply, it is putting yourself in someone else's shoes to assess a situation and the beauty is that, perhaps unlike many other skills, empathy does not need to be innate. It can be sought, studied and practiced. The rigorous academics of the MBA journey, taught by our cosmopolitan faculty in a truly cosmopolitan setting certainly activated our empathic thinking skills, but sharing the journey with classmates hailing from all over the world, from different professional backgrounds with unique mindsets and motivations, did not just encourage empathy, it demanded it. To both faculty and my classmates, thank you.

In a world that rewards judgment, certainty and segmentation, empathy reminds us to lead and operate with curiosity, possibility, and a broadened scope. It is only by asking the right questions, considering third options, and seeking unique experiences that empathy can be found. Once discovered, this intangible asset, though difficult to quantify, can lead to incredible incremental insights, outsized value generation and most importantly, lasting partnerships.

I promised brevity, so on the note of partnership, I will leave you with a line from my favorite film, the 1946 Christmas classic *It's a Wonderful Life.* In the final scene, after the protagonist George BAILEY has averted financial and personal ruin only by the help of his steadfast community, so often resented, his guardian angel reminds him of one simple truth: "No man is a failure who has friends." May we always have empathy for friends and competitors alike. And to all my friends here today, thank you, congratulations and good luck!

各位朋友、家人、教職員們：

今天，我懷着謙卑與感恩之心站在這裏。作為一名異鄉學子，能以母語在這座世界級學府、向各位卓越人士致辭，令我倍感榮幸。

法國大主教弗朗索瓦·費奈隆曾言：「話多則人忘，言簡則益深。」身為MBA畢業生，我自當盡力言簡意賅，儘管這並不容易——畢竟我們在求學路上汲取了無數教誨、非凡經歷與管理真諦：「當下金錢，勝過未來財富；目標市場、進入壁壘與價值主張；請準時上課！」這一切該從何說起？這些商業智慧固然是成功的基石，但此刻我想談論更宏觀的命題——同理心。

同理心意指理解、覺察與感知他人思想與經歷。簡言之，就是換位思考。它的可貴之處在於，有別於許多需倚賴天賦的技能，同理心非與生俱來，而是可透過主動探求、系統學習與持續實踐而培養。MBA的嚴謹學術訓練，由具國際視野的師資在真正的跨文化環境中授課，無疑激發了我們的同理思維；然而，與來自全球、擁有不同專業背景、思維模式與理想的同學共度的時光，不僅培養了同理心，更讓它成為必修課。在此，謹向全體教授與同學們致以誠摯謝意。

在這個崇尚判斷力、確定性與區隔化的時代，同理心提醒我們要以好奇心、可能性以及廣闊的視野引領經營。唯有提出關鍵問題、考慮第三種選擇、追尋獨特的體驗，同理心才能被發掘。這項無形資產雖然難以量化，但一旦掌握，卻能帶來驚人的洞察力、創造超乎想像的價值，並締造歷久彌新的夥伴關係。

我承諾簡短致辭，所以請允許我以「夥伴」之義作結。我尤愛1946年的聖誕經典電影《風雲人物》，片尾主角喬治·貝利在曾令他厭煩的社區堅定相助下，擺脱財務與人生困境。他的守護天使揭示了一個簡單的真理：「有朋相伴者，絕非失敗之人。」願我們永遠對朋友與競爭對手懷有同理之心。

致今日在場的所有朋友，謝謝你們，祝賀大家前程似錦！

Master of Science in Business Analytics

Faculty, distinguished guests, proud families, and fellow graduates,

If I asked what the best decision was that brought you to this moment today, I am sure many of you would have the same answer: the decision to join this world-class Master's program at HKUST. And you would be right! But for me, the real starting point was a decision that happened just before that.

It was mustering the courage to send a slightly nervous LinkedIn message to our Program Director, asking if he had time for a coffee chat. That one message, that single step into the unknown, did not just lead to a great conversation about the program and my fit for it. It led to an opportunity, a wealth of exposure, lifelong colleagues, and ultimately, the chance for me to stand here today. For a forensic accountant trained to investigate the past, it was a transformative step into the future.

For two years, we part-time students lived a double life. By day, I pieced together evidence for clients. By night, and on countless weekends, we wrestled with machine learning models and Python scripts. This program was a marathon. There were moments when taking the next step felt impossible—after a long day at work, facing a daunting project deadline, or when that code just would not run. But we did it. We kept moving forward, one assignment, one quiz, one presentation, one coffee-fueled night at a time. And we supported each other through it all.

So, my message to you, my incredible classmates, is this: remember the courage it took to send your own "message" to start this journey. Carry that same confidence forward. Do not be afraid to take that next step, apply for that dream job, propose that innovative idea. The biggest opportunities in life lie just beyond your comfort zone.

Congratulations, Class of 2025! Let us continue to step forward, with confidence. Thank you.

理學碩士（商業分析）

各位教授、各位來賓、親愛的家人與同學們：

如果問大家，是什麼決定讓我們今天齊聚於此？我相信許多人會給出同樣的答案：選擇香港科技大學這所世界頂尖學府的碩士課程。這確是一個極富遠見的決定，但對我而言，這段旅程真正的起點，遠在入學之前。

我的起點，始於一條發給課程主任的Linkedin訊息；我那略帶忐忑卻充滿勇氣的咖啡邀約，不僅換來一場關於課程方向和自我發展的深入對話，更為我打開了一扇新的大門。在清水灣，我拓寬了國際視野，結識了一生的摯友，最終得以站在這裏，與大家分享這份榮耀。對一名習慣追溯過往的法務會計師而言，這一步，就是我人生的關鍵轉折。

過去兩年，我們兼讀制同學同時肩負工作與學業。白天馳騁職場，夜晚與周末則奮戰學海，與機器學習模型和Python程式碼搏鬥。這場馬拉松充滿挑戰，疲憊與壓力雖如影隨形，但我們從未退縮。無數個挑燈夜戰的晚上，我們互相解惑、彼此鼓勵，共同將艱辛化為圓滿。

今天，我想對每一位畢業同學說：請記得當初那個敢闖的自己，帶着這份自信邁出下一步——無論是申請理想的工作，還是提出那個藏在心底的創新想法。古人云：「道阻且長，行則將至。」人生中最珍貴的機遇，永遠都在舒適圈之外，等待着敢於突破的人。

最後，讓我們共同祝賀彼此——2025屆的同學們，我們畢業了！未來，願我們都能帶着這份「敢闖」的初心，自信地走向更廣闊的天地！謝謝！

Vienne CHIU Tin-Wai

Bachelor of Business Administration in Marketing and Management

Good afternoon, esteemed faculty members, proud parents, and most importantly, my fellow graduates of The Hong Kong University of Science and Technology,

Congratulations, we made it!

I see many cameras here today. I brought one too. I love film cameras not just for their vintage charm, but because they carry a message: life is like a film camera—no edits, no replays, just one shot per moment. We cannot control the lighting of every shot, but we can choose where to focus.

Before I got into HKUST, I was told to make the most of it: accomplish the “five must-dos in university”—join societies, become a committee member, live in dorms, watch the sunrises at the seafront, and of course, you also need to study hard. Keep your GPA above 3.3 in order to get an interview, or risk being jobless. But you still have no idea what you want to do? Did you visit the Career Mosaic? Do not just grab free snacks and tote bags; focus on finding your dream job!

After four years in university, do you think you’ve truly made the most of it?

In our 20s, society hands us a checklist, as if everyone needs to follow the same list to become successful. But here is what they never told us: Who said every frame must be perfect? The magic of film is not in flawless shots—it is in having endless rolls to experiment with. Light leaks? They become art. Blurry moments? They capture motion. Our lives are not single snapshots judged in isolation, but an evolving gallery where even the “mistakes” tell our stories.

Class of 2025—say cheese. Life gives no retakes, but infinite frames. Your masterpiece is not a single perfect shot, so keep shooting.

各位尊敬的教職員、親愛的家長，還有今天最重要的香港科技大學的應屆畢業生，午安：

恭喜我們，我們做到了！

今日現場可見許多相機，我亦自攜一台，我帶的是我尤其鍾愛的菲林相機，不僅因為它的復古風韻，更因為它傳遞着深刻寓意：生命猶如一台無法剪輯、無法重拍的菲林相機，每個瞬間僅有一次捕捉機會。雖然我們無法掌控每張照片的光影，但我們可以謹慎選擇焦點。

在踏入科大之前，總有人叮囑我要把握這段黃金時光：完成「大學必修五件事」──加入社團、擔任委員、體驗宿舍生活、在海傍迎接日出；當然還要刻苦學習──因為至少要有3.3分的平均成績才能獲得工作面試機會，否則便可能面臨失業。可是，你找到夢想的方向了嗎？你去過Career Mosaic嗎？別只顧着拿免費零食和帆布袋紀念品，聚焦去尋覓心之所向的職業道路。

當四年大學時光落幕，你是否真正做到了無憾？

二十歲出頭時，社會就會給我們一張「清單」，彷彿所有人都需遵循相同的步驟才能成功。但從來沒人告訴我們：是誰規定每幀畫面都必須完美？菲林的魔法不在於零瑕疵的影像，而在於擁有無數卷底片任你揮灑創作。漏光？那是藝術的漣漪。模糊的瞬間？那是動感的詩篇。人生的成敗並非取決於一幅快照，而是不斷演進的影像畫廊──那些所謂「瑕疵」，都是屬於我們獨一無二的生命故事。

2025屆畢業生──笑一個吧！相片沒有重拍的機會，但你擁有無盡的底片。你的人生傑作從來不是單一的完美定格，所以請繼續按下快門，盡情創作屬於自己的生命影集。

Maximilian Johannes WALTER

Master of Science in International Management

The first time I came to Hong Kong, I was only a couple of years old. I honestly do not remember much, except looking up and thinking those skyscrapers were impossibly tall.

Back then, I never imagined I would come back here—to live, to study, and to see the city from far beyond its skyline. And yet, here I am, years later, graduating in a place that has taught me far more than I could have ever guessed.

Studying here was not just about lectures and assignments. It was about stepping into a classroom where every discussion pushed you to see things differently. I learned how to work across cultures and time zones, adapt quickly, and sometimes figure things out without a playbook. Hong Kong's pace keeps you on your toes, and this program taught me how to stay balanced while still moving forward. And I realized: you grow the most when you are just outside your comfort zone.

But honestly, what made this time unforgettable were the people. The friends who turned short breaks into long conversations. The dinners where I learned more than any textbook could ever explain. The teammates who showed up not just for deadlines, but for everything in between.

At HKUST, we did not just study together—we built a global family. And that is something I will carry long after today.

When I think back to that little kid looking up at skyscrapers, I realize the real magic of Hong Kong is not in the skyline. It is in the people, the energy, and the opportunities it inspires.

As we move on from here, I hope we carry forward the same curiosity, courage, and sense of adventure that defined our time at HKUST.

Congratulations to the Class of 2025! Let us take the friendships, the lessons, and the curiosity we have found here, and keep aiming higher.

理學碩士（國際管理）

我第一次來到香港的時候，還只是個兩歲多的小孩。說實話，那時候的記憶已經很模糊了，只記得抬頭看着那些摩天大樓，覺得它們高得不可思議。

那時的我從沒想過，有一天我會再回到香港，在這裏生活、學習，並以全新的視角重新認識這座城市。幾年過後，驀然回首，才發現這座城市教會我的，遠比我當初想像的多。

在香港科技大學求學並不只是上課、交作業而已。每一堂課的討論都讓我重新思考自己原本的想法，並開始從不同角度去看事情。我學會了如何與來自不同文化背景的同學合作，如何快速適應變化，甚至在毫無指引的情況下自己摸索前進。香港的節奏真的很快，而這段學習旅程教會我怎樣在忙碌中找到平衡，並一直前行。我明白了一件事：真正的成長，往往發生在你踏出舒適圈的時候。

不過，要說這段時間最讓我難忘的，一定是身邊的人。那些將閒聊變成促膝長談的好朋友、那些比任何一本教科書都來得有深度的餐桌對話，還有那些不僅一起追趕期限，更在每個重要時刻都陪伴着我的隊友們。

在科大，我們不只是一起學習的同學，更像是一個環球大家庭。而這份連結，將陪伴我們走得更遠更久。

現在回想起那個曾經仰望摩天大樓的小孩，我終於明白香港真正的魅力，不只是那令人驚嘆的都市天際線，而是在於這裏的人、這裏的活力，以及這座城市激發出我們的無限可能。

我們即將邁向人生下一段旅程，希望各位都能帶着這幾年在科大培養的好奇心、勇氣與冒險精神，繼續前行。

恭喜 2025 屆畢業生！讓我們帶着這段旅程中的友情、經驗與探索世界的熱情，繼續向更高的目標邁進。

Bachelor of Science in Economics and Finance

Good afternoon, distinguished guests, faculty members, and my fellow graduates of the remarkable Class of 2025,

It is an immense honor to stand before you today.

When I think about our time at HKUST, what comes to mind first are not the exams or the deadlines but the people. I think of the late nights in the library, not just studying, but sharing stories and lifting each other up. I think of the lively conversations in the canteen with classmates from every corner of the world, who have now become lifelong friends. And, if I am being totally honest, I also think of the struggle to find an empty seat in the library during finals week! These moments taught us lessons beyond the curriculum. They taught us about collaboration, perspective, and resilience.

We are deeply grateful to our dedicated professors who ignited our curiosity and shared their knowledge with patience. Your passion challenged us to think deeper and reach further, and your love for learning inspired our own.

HKUST was our launchpad. It provided the challenging environment and the supportive community that pushed us to grow beyond what we imagined possible. We learned to tackle complex problems, to think critically, and to stay endlessly curious about the world around us. We leave not just with a degree, but with the confidence and tools to build a better future.

So, to my fellow graduates: look around. Remember these faces. We are a community of innovators, dreamers, and future leaders. As we step into the world, let us carry forward this spirit of curiosity and courage to take on new challenges. Let's use our skills not only for personal success, but to contribute meaningfully to our communities.

Finally, on behalf of every graduate here, I want to say thank you—to our families, whose unwavering support was our foundation; to our professors, whose guidance was our compass; and to our friends, who made this journey unforgettable.

Congratulations, Class of 2025! Our journey has only just begun.

Thank you very much.

各位尊敬的嘉賓、教授，以及親愛的畢業同學，午安：

今日能站在台上，與各位共享這個意義非凡的時刻，我深感榮幸與感激。

回首科大歲月，首先浮現在腦海中的，不是挑燈夜讀的考試週，也不是與時間賽跑般趕作業的時光，而是一幕幕鮮活的人生片段：在圖書館柔和的燈光下，與同窗互相鼓勵、分享夢想；在食堂一杯杯凍檸茶旁，與來自世界各地的同學暢談天地，結下珍貴友誼。說來有趣，我至今仍記得考試週同學們在圖書館輾轉尋覓卻一席難求的情境！這些點滴，早已超越了書本知識，教會我們何謂合作、何謂包容、何謂堅韌。

飲水思源，我們由衷感謝敬愛的教授們。是您們以淵博學識為燈，引領我們探索未知；以治學熱忱為火，點燃我們對求知的渴望。您們賦予的探索精神，使我們終生受用。

科大是我們揚帆啟航的港灣。這裡既有追求卓越的學術殿堂，更有溫暖包容的校園文化。我們得到了破解難題的智慧，培養了明辨慎思的批判精神，更持守着對偌大世界的好奇。今日，我們帶走的，不僅是一紙文憑，更是面對未來各種不確定的自信與從容。

畢業生們，請記住此刻身旁每一張意氣風發的臉龐。我們是開拓者、築夢者、領導者。願我們始終懷抱初心，以勇氣迎接挑戰，不僅成就自我，更要回饋社會。

最後，讓我代表全體畢業生表達我們最誠摯的謝意：感謝家人，你們無條件的支持是我們最堅實的後盾；感謝教授，你們的諄諄教誨是我們人生航程的羅盤；感謝同窗，你們讓這段青春歲月成為永誌難忘的旅程。這段流金歲月，正因你們每一位而閃耀。

恭喜2025屆的每一位畢業生！我們的新征程，才剛剛啟航。
